# LIGHTSTONE — MEDICAL —

## Advancing NPWT

with Nimble Wound Care Solutions  
& Unparalleled Support for  
Healthcare Distributors

# KEY ADVANTAGES

**Delivers reliable, consistent NPWT for optimal healing**

**Multi-purpose design suits various wound care needs**

**Straightforward operation allows clinicians to focus on patients**

**Incorporates safety features for secure, trustworthy therapy**

## Tzoar 207 Negative Pressure Wound Therapy System (NPWT)

The **Tzoar 207** combines consistent negative pressure therapy with multi-purpose dressings.

This intuitive system effectively treats diverse wound types while remaining simple, straightforward, and easy to operate.

**Because at Lightstone,  
we are committed to success.  
YOUR SUCCESS!**

Our mission is to provide reliable wound care solutions that make complex NPWT therapy more accessible.

With a steadfast commitment to customer success and a proven track record for enhancing patient outcomes, we aim to drive progress in healing wounds.

### We take it one step further

Our dedicated team provides extensive guidance specific to managing your distributorship, not just our products:

**Full support for the backend of managing your business**

**Comprehensive NPWT Product Training**

**Ongoing Technical Support**

Our unique understanding of the DME industry allows us to deliver specialized support services and guidance, based on your unique needs.

### Partner with Lightstone Medical

and you gain more than just exceptional products. Get guidance from NPWT experts who understand the unique needs of your business and are invested in your success.
